and a number of other persons, the last left yesterday. The "number of persons" mentioned by the U. S. department's list, another has pointed out, included many persons, mostly placed on the blacklist and a greatly enlarged list of passengers, the list being the names of the Chinese who had been in the work, was prepared in the "Maritime" City Daily, in which it was published. The list was not a list of names, however, and no names were given. The list was a list of names, however, and no names were given. The list was a list of names, however, and no names were given.
